## Slowdown vs Marble

### MARBLE PURCHASE.COM

Empowering Marble Trade through interlinking buyers and sellers

### PERCEPTION

The Indian marble market is experiencing a slowdown, looking to it some traders believe it may eventually shut down.

### POSITIVENESS

However, this perception isn't entirely accurate, as marble demand persists despite changing consumer preferences, places, and market trends as marble is a natural product having its age equal to the age of earth.

### OUR SOLUTIONS

To adapt to these changes and overcome the slowdown, we've developed following powerful website.

[marblepurchase.com](http://marblepurchase.com)

A platform connecting marble suppliers with domestic and international buyers.

### OUR PROCESS to connect buyers and sellers

1. Submit products (1-5) through our seller registration form along with requisite company's informations (Form available on our website [marblepurchase.com](http://marblepurchase.com)) Submitted Products should be specialized products of company.

On receipt of your email we will send you immediate response with the request to register your company with us.

2. In our respond email we will request you to register your company on our website @ Rs. 5,000/- p.a. as a promotional fee.
3. As soon as we will received the registration fees and your company's information we will start efforts to generate demand of your products .( Please note: Sellers' and buyers' data will not be displayed on the website. )
4. As soon as we will received the inquiries of your products we will inform you via your WhatsApp and the email for which you'll be requested to respond promptly with complete terms and conditions.
5. On receipt of your response we will forward the same to the potential buyers and start follow-up to get the earliest orders.

### KEA POINTS to be noted:

- \* Competitive pricing and timely delivery are crucial requirements from the sellers end.
- \* We reserve the right to register multiple sellers in order to ensure competitive prices, right qualities, right quantities, and right time deliveries.
- \* Prompt payment will be made upon receiving loading bills and requisite papers.
- \* We and buyers' company reserves the right to inspect products and reject the order on non-conforming material as per the order.

### OUR PROMISE

We'll prioritize customer satisfaction, ensuring timely delivery and quality products in order to repetitive orders and maintain goodwill.

### OUR GOAL

Our goal is to provide long-term service to the marble market with integrity with buyers and sellers and sellers both.

### OUR OTHER SERVICES

1. Arrangement of Transport Facilities, Packaging, and others for buyers
2. Arrangement of Technology Support, Machines, Spareparts, Diamond tools, Abrasives, Chemicals, and others for buyers and others.
- 3 Consultancies

### PROMOTIONAL SERVICES

1. Promotions and advertisements through our own website, social media, outdoors advertisements, etc.
